TO: Joyce Wilson, City Manager
Mayor & Council

FROM: David G. Dobson, Director 

SUBJECT: Introduction of Ordinance, City Council Agenda, October 26, 2004
Public Hearing, November 9, 2004

DATE: October 18, 2004

The Economic Development Department has been approached by Western Refining, LLC to assist them in applying for a designation as an Enterprise Zone. Normally, these designations are for companies that are relocating to a city, but there is an exception for the designation if it involves "an expansion, renovation, or new construction". Western Refining, LLC is proposing to invest \$151 million to upgrade its low sulfur gasoline line to an Ultra Low Gas line. This renovation will also allow Western Refining, LLC to retain all 330 of its present employees.

Under the State of Texas statute for designation of Enterprise Zones, every two years the Texas Legislature allows a certain number of designations for the entire state. The allocation for the El Paso area is 6 designations from September 2003 to August 2005. There have been no designations to date. At the present time, there are approximately 18 designations left in the state. With the approval of this project, Western Refining LLC will receive a "double jumbo project" designation and receive 2 of the designations.

The items for Mayor and Council to consider 1) Allowing the Mayor to sign off on a letter of support from the City of El Paso to go along with the letter of request by Western Refining (10/26 meeting), 2) Introduction of an ordinance to create the Enterprise Zone, (10/26 meeting), 3) Public Hearing on the ordinance to create the Enterprise Zone (11/09 meeting), and 4) Approval of the ordinance to create the Enterprise Zone (11/09

AN ORDINANCE AUTHORIZING THE CITY OF EL PASO TO PARTICIPATE IN THE TEXAS ENTERPRISE ZONE PROGRAM UNDER THE TEXAS ENTERPRISE ZONE ACT, CHAPTER 2303, TEXAS GOVERNMENT CODE; PROVIDING TAX INCENTIVES; SUPPORTING APPLICATION OF WESTERN REFINING COMPANY, L.P. TO THE OFFICE OF THE GOVERNOR ECONOMIC DEVELOPMENT & TOURISM THROUGH THE ECONOMIC DEVELOPMENT BANK FOR DESIGNATION AS A QUALIFIED BUSINESS AND DOUBLE JUMBO PROJECT UNDER THE ACT; DESIGNATING A LIAISON FOR OVERSEEING ENTERPRISE PROJECTS AND COMMUNICATING WITH INTERESTED PARTIES.

WHEREAS, the City of El Paso, Texas (“the City”) desires to create the proper economic and social environment to induce the investment of private resources in productive business enterprises located in severely distressed areas of the City and to provide employment to residents of those areas;

WHEREAS, the Texas Enterprise Zone Act, Chapter 2303, Texas Government Code, as amended, (the “Act”) authorizes the designation of enterprise projects within an enterprise zone (or, if the requirements of Section 2303.402 (a) (2) of the Act are met, within an area that does not qualify as an enterprise zone);

WHEREAS, under the 2003 amendments to the Act, the Act is now administered by The Office of The Governor Of Economic Development & Tourism (“GOED&T”) through the Texas Economic Development Bank (“Bank”);

WHEREAS, with proper notice to the public, a public hearing to consider this ordinance was held on Tuesday, November 9th, 2004, during a meeting of the City Council, the Council Chambers, at City Hall, in El Paso, during which all interested persons were allowed to appear and be heard; and

WHEREAS, the City Council has determined that passage of this ordinance would best serve public health, necessity, and convenience and the general welfare of the City and its citizens.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF EL PASO, TEXAS:

SECTION 1. As required by Section 2303.4051 (b) of the Act, the City’s local incentives available in each area within an enterprise zone and in each area not in an enterprise zone are identified and summarized briefly in the attached **Exhibit A**; and at least one of the local incentives is unique to the enterprise zone area. The City is in full compliance with the Act.

ORDINANCE NO. _____

SECTION 2. The City finds that WESTERN REFINING COMPANY, L.P. (“Western”), or its successor in interest, meets the criteria for designation as an enterprise project under the Act on the following grounds:

- (a) Western, is a “qualified business” under Section 2303.402 of the Act because it is engaged in the active conduct of a trade or business at a qualified business site and at least twenty-five (25%) percent of its new employees in the Enterprise Zone will be residents of an enterprise zone in this state or economically disadvantaged individuals;
- (b) The Western project is qualified under Section 2303.404 of the Act because (1) it involves “an expansion, renovation, or new construction”; (2) it will be completed within a predetermined period not to exceed five years; and (3) the Western subsidiary maintains separate books and records for the El Paso refinery operations;
- (c) There has been and will continue to be a high level of cooperation between public, private, and neighborhood entities within the jurisdiction of the City;
- (d) The designation of Western as an enterprise project will contribute significantly to the achievement of the plans of the City for development and revitalization of the area in which the enterprise project will be located; and
- (e) Western qualifies for job retention benefits under section 2303.406 (a) (4) (G) because Western is both adding a new business line or product and deleting or decreasing an existing business line or product, and the designation will prevent Western’s net production capacity from decreasing.

SECTION 3. Western qualifies as a Double Jumbo Enterprise Project as defined in Section 2303.407 (b) (5) of the Act because Western will be making a capital investment in a project in excess of \$150,000,000. The City finds that it is in the best interest of the City to nominate Western as an Enterprise Project under the Act.

SECTION 4. The City Council nominates Western as an Enterprise Project under the Act and designates the Director of Economic Development as liaison to oversee enterprise projects nominated by the City Council and to perform the other duties described in Section 2303.204 of the Act. The City Council authorizes the City Manager or her designee to file an application requesting designation of Western as an Enterprise Project with the Texas Economic Development Bank, and to execute all documents and agreements necessary to process the application. Further, the City Council directs the City Manager or her designee to submit to the Texas Economic Development Bank the information required by section 2303.4052 of the Act.

SECTION 5. As required by Section 2303.4051 (c) (2) of the Act, the City’s local incentives, including tax incentives, that, at the election of the City Council, are or will be made available to Western, the nominated project, are identified and summarized briefly in the attached **Exhibit B**.

ORDINANCE NO. _____

SECTION 6. Upon approval of the Texas Economic Development Bank, the Enterprise Project will be named WESTERN REFINING COMPANY, L.P. Project.

SECTION 7. The enterprise project shall take effect on the date of designation of the enterprise project noted by the Texas Economic Development Bank and terminate five (5) years after date of designation.

SECTION 8. The Enterprise Project designation must be for a predetermined designation period approved by the Bank, with a beginning date and ending date for the Project; and the designation period for the Project may not exceed five (5) years from date on which the designation is made, as required by Section 2303.404 of the Act. Western and the City request that the Bank approve December 1, 2004, as the beginning date and December 1, 2009, as the ending date of the Project.

SECTION 9. The enterprise zone areas within the City are reinvestment zones in accordance with the Texas Tax Code, Chapter 312.

SECTION 10. The El Paso areas that meet the 2003 requirements in Section 2303.101 of the Act for automatic qualification for designation as an enterprise zone are shown in the attached **Exhibit C.**
